Expected Graduation, May 2025

- **CGPA:** 8.07
- **Related Coursework:** Data Structures & Algorithms, Objects & Design, Computer Organization & Programming, Combinatorics, Machine Learning, Artificial Intelligence, Object-Oriented Programming, Statistics & Applications

PROJECTS

Horizon

Kerala, Kochi

Team Member

Aug 2024 – Nov 2024

- Developed a traveler-guide matchmaking website designed to enhance travel experiences by connecting tourists with verified local guides.
- The proposed app offers an innovative solution to connect tourists with local guides, enhancing travel experiences through personalized matching based on preferences. With integrated features like a chatbot for queries and a language translator the app aims to provide a seamless and enriching journey for users.
- It was created using:
 - Front-end: HTML, CSS, JavaScript
 - Back-end: PHP

Language Translator

Kerala, Kochi

Private

September 2024

- Created a basic web app that can translate from any chosen language to another language.
- It was made using Django framework.
